MEMORANDUM FOR: APEX Steering Group Members

Attached are proposed APEX termination and access indoctrination forms. In looking at the two papers, please recognize that (a) they are legally sufficient, and (b) deliberately short and simple. I desire to keep the brevity and simplicity above all else.

Please be prepared to comment on attached, if possible, at the 17 September Steering Group Meeting.

This will also remind you that the Steering Group will meet on Wednesday, 17 September (in lieu of Tuesday) from 10:00 to 12:00 in Room 15-06, CHB.
